- In case of the withdrawal(s) of team(s), from the 12 teams directly in the Main Draw tournament of Volleyball World Beach Pro Tour Elite16, after the completion of Preliminary Inquiry of the Qualification Tournament when the Qualification match schedule has been developed and published, the regulations of the lucky loser draw shall be implemented to determine the extra team(s) qualifying to the Main Draw. The lucky loser draw regulation is as follows:
 - The lucky loser draw is conducted by the FIVB Technical Delegate assigned after the completion of the Preliminary Inquiry of Main Draw.
 - The lucky loser draw is implemented among the teams losing the last round of the Qualification Tournament, provided they attend and sign in at the Preliminary Inquiry of Main Draw tournament as eligible 'lucky losers'.
 - The first draw is between the two highest seeded teams among the eligible 'lucky losers'.
 - For each additional available spot to the Main Draw, the next highest seeded team must be drawn against the loser of the previous draw.
 - This procedure continues until all additional open spots of the Main Draw are filled.

Furthermore, in the above case when the lucky loser draw is implemented, the same principle described above shall be respected to have the highest ranked team advanced from the Qualification tournament to fill the pool position of highest seeded team withdrawn from the Main Draw tournament, and then 2nd highest ranked team advanced from the Qualification tournament to fill the pool position of the 2nd highest seeded team withdrawn from the Main Draw tournament, while having the lucky losers always placed at the bottom for the seed #16, and if necessary seed #15, seed #14, etc.

- If the withdrawal or 'change of athlete' request is for an athlete/team in the Qualification Tournament, the team shall have enough ranking points to maintain their Qualification Tournament position, otherwise, the team shall be placed in the reserve team list. However, if the team has enough ranking points to enter Main Draw, the team will still remain in the Qualification Tournament (in all case, including scenario due to further withdrawal of 12 teams directly from Main Draw) and be seeded per the ranking points of the new team.
