6. Phuket sandbox and guidelines <https://www.tatnews.org/>

Phuket Sandbox

The Phuket Sandbox is implemented by the Thailand government to allow fully vaccinated people to enter the island of Phuket and under required conditions to move freely in the island.

- 1) Travelers must be fully vaccinated against COVID-19 no less than 14 days before the travel date, with a vaccine registered with the Food and Drug Administration (FDA) of Thailand or approved by WHO or Thai Ministry of Health, and must possess a valid Vaccination Certificate/Card (digital or paper format)
- 2) Travelers need to register. Thailand Volleyball Federation in collaboration with the Thailand Government will facilitate the application procedure and provide participants with such document.
- 3) Travelers must do a COVID-19 test (RT-PCR method) with test result no more than 72 hours prior to the departure time. The negative result must be presented to the airline check-in counter.
- 4) Travelers under 18 years of age, travelling with parents or guardians (who fully vaccinated) are exempt from the vaccination requirement. This information referring from <https://www.tatnews.org/2021/10/thailand-reopening-living-in-the-blue-zone-17-sandbox-destinations/>
- 5) All travelers must download Thailand Plus Application before travel to Phuket Sandbox.
- 6) For more information, please visit <https://www.tatnews.org/>

7. Procedure for non-vaccinated participants

Those participants who are not fully vaccinated must stay in quarantine for 10 days upon their arrival in Thailand. Quarantine will be in special quarantine hotels recognized by the Thailand Government. It is highly recommended to do the upon arrival quarantine in Phuket. However, it is also possible to do the quarantine in Bangkok. Please find and reserve the 10 days quarantine package via. <https://www.shathailand.com/>
