## 2.5 Withdrawal Regulations

Following acceptance of the FIVB Athletes Commission and Beach Volleyball Commission, it was agreed that in order to help athletes adapt to the new withdrawal deadlines, exceptionally, flexibility can be applied for the withdrawal requests of the first couple of tournaments of the season. Information regarding the withdrawal procedure for the Beach Pro Tour Elite16 event in Rosarito is as follows:

- As already communicated, National Federations can withdraw a team or change the players up to 28 days before start of the tournament (23 February 2022)
- From the publish of the confirmed Entry List until 16:00 CET of Wednesday 3 weeks before the start of the Beach Pro Tour Elite16 in Rosarito (2<sup>nd</sup> March 2022) National Federations can withdraw a team or change a player without medical certificate or proof of travel booking and **with no withdrawal penalty**. It is recommended to inform us ([beachvolleyball@fivb.com](mailto:beachvolleyball@fivb.com)) as soon as possible such withdrawal to ensure that playing opportunities are available for teams in the reserve list.
- From 16:00 CET of Wednesday 3 weeks before the start of the Beach Pro Tour Elite16 in Rosarito (2 March 2022) until 16:00 CET of Friday the week before the start of the event (18 March 2022) all withdrawals must be accompanied with a medical certificate and travel proof. Otherwise, a withdrawal fine will apply.
- From 16:00 CET of Friday the week before the start of Beach Pro Tour Elite16 in Rosarito until one minute before the completion of Preliminary Inquiry withdrawals will be subject to monetary fine unless with justified reasons due to force majeure, or last-minute medical reasons such as covid-19 reason.

Information regarding the withdrawal fine is as follows:

Tournament	Monetary fine per athlete
Main Draw of Elite16 tournament	USD 1500 per athlete
Qualification Tournament of Elite16 tournament	USD 500 per athlete

- If the withdrawal or 'change of athlete' request is for an athlete/team among the 12 teams directly in Main Draw, the new team shall have enough ranking points to maintain their Main Draw position, otherwise, the team shall be placed in the Qualification Tournament. Should the team not have enough ranking points for the Qualification Tournament, the team will be placed accordingly in the reserve list.
  - Following the withdrawal request, the next highest ranked eligible team in the Qualification tournament list as per ranking points calculated at the date of confirmed entry list, will be picked up to replace the pool position of the withdrawal team and the match schedule will be updated accordingly.
  - If there are multiple withdrawal requests, the principle is to have the highest ranked team in the Qualification tournament list to be picked up and replace the pool position of highest seeded team withdrawn from the tournament, 2<sup>nd</sup> highest ranked team in the Qualification tournament to replace the pool position of 2<sup>nd</sup> highest seeded team withdrawn from the tournament. Accordingly, the match schedule will be updated accordingly.  
See below examples:

Example 1:

Men/Women: 1 <sup>st</sup> phase			
Pool A	Pool B	Pool C	Pool D
USA 1	BRA 1	USA 2	CAN 1
CAN 2	SUI 1	BRA2	USA 3
SUI 2	GER 1	GER 2	BRA 3
Qualifier 4	Qualifier 3	Qualifier 2	Qualifier 1

- GER2 (seed 11) withdrew on -24 days
- CAN2 (seed 8) withdrew on -15 days
- In the reserve list: POL (seed 17), AUS (seed 18)
- POL will go to Pool A to replace CAN2
- AUS will go to Pool C to replace GER2

Example 2:

Men/Women: 1 <sup>st</sup> phase			
Pool A	Pool B	Pool C	Pool D
USA 1	BRA 1	USA 2	CAN 1
CAN 2	SUI 1	BRA2	USA 3
SUI 2	GER 1	GER 2	BRA 3
Qualifier 4	Qualifier 3	Qualifier 2	Qualifier 1

- CAN2 (seed 8) withdrew on -24 days
- GER2 (seed 11) withdrew on -15 days
- In the reserve list: POL (seed 17), AUS (seed 18)
- POL will go to Pool A to replace CAN2
- AUS will go to Pool C to replace GER2

➤ In case of the withdrawal(s) of team(s), from the 12 teams directly in the Main Draw tournament of Volleyball World Beach Pro Tour Elite16, after the completion of Preliminary Inquiry of the Qualification Tournament when the Qualification match schedule has been developed and published, the regulations of the lucky loser draw shall be implemented to determine the extra team(s) qualifying to the Main Draw. The lucky loser draw regulation is as follows:

- The lucky loser draw is conducted by the FIVB Technical Delegate assigned after the completion of the Preliminary Inquiry of Main Draw.
- The lucky loser draw is implemented among the teams losing the last round of the Qualification Tournament, provided they attend and sign in at the Preliminary Inquiry of Main Draw tournament as eligible 'lucky losers'.
- The first draw is between the two highest seeded teams among the eligible 'lucky losers'.
- For each additional available spot to the Main Draw, the next highest seeded team must be drawn against the loser of the previous draw.
- This procedure continues until all additional open spots of the Main Draw are filled.

Furthermore, in the above case when the lucky loser draw is implemented, the same principle described above shall be respected to have the highest ranked team advanced from the Qualification tournament to fill the pool position of highest seeded team withdrawn from the Main Draw tournament, and then 2<sup>nd</sup> highest ranked team advanced from the Qualification tournament to fill the pool position of the 2<sup>nd</sup> highest seeded team withdrawn from the Main Draw tournament, while having the lucky losers always placed at the bottom for the seed #16, and if necessary seed #15, seed #14, etc.

➤ If the withdrawal or 'change of athlete' request is for an athlete/team in the Qualification Tournament, the team shall have enough ranking points to maintain their Qualification

Tournament position, otherwise, the team shall be placed in the reserve team list. However, if the team has enough ranking points to enter Main Draw, the team will still remain in the Qualification Tournament (in all case, including scenario due to further withdrawal of 12 teams directly from Main Draw) and be seeded per the ranking points of the new team.
