COMPETITION SPECIFIC

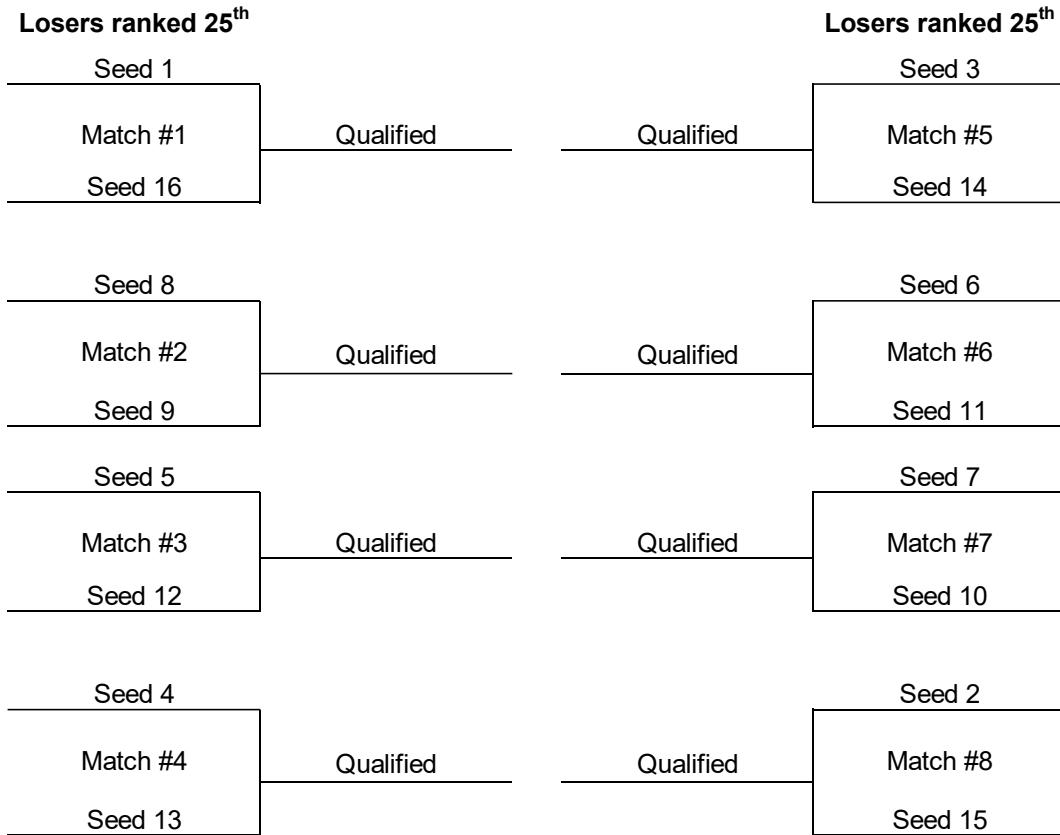

COMPETITION FORMAT

Qualification Tournament

- Consists of 16 teams playing in single elimination format to qualify 8 teams to the main draw.
- 14 Qualification teams enter directly, together with 2 Qualification wild cards teams (if applicable).
- No Country Quota.
- Seeding based on the day before the start of the tournament (-1 day).

Elite 24: 16-Team Qualification to Qualify 8 Teams

Main Draw Tournament

- Main Draw: 24-team pool play (6 pools of 4 teams following serpentine system)
- Seeding Points at -14 days (for teams directly in the Main Draw) and day of the preliminary inquiry (in principle the day before, for teams in the Qualification tournament): best 3 of last 4 events in 365 days
- 15 Main Draw teams, together with one (1) Main Draw wild card team (if applicable) enter directly into the Main Draw, plus 8 teams qualified from the Qualification tournament
- No country quota
- Six (6) pools of four (4) teams will play (Round Robin system) in the Preliminary Round to determine 16 teams advancing to Single Elimination Playoffs.
- For the first phase of round robin pool play, 24 teams per gender will be placed into six (6) pools with four (4) teams each based on Seeding Points and will be placed per the serpentine principle. 15 Main Draw teams, together with 1 Main Draw wild card team (if applicable) enter directly to the Main Draw, will be distributed directly into Pool A to F following serpentine system, according to their ranking points calculated at -14 days before the start of the tournament.

First phase of Pool Play					
Pool A	Pool B	Pool C	Pool D	Pool E	Pool F
Seed #1	Seed #2	Seed #3	Seed #4	Seed #5	Seed #6
Seed #12	Seed #11	Seed #10	Seed #9	Seed #8	Seed #7
Seed #13	Seed #14	Seed #15	Seed #16	Seed #17	Seed #18
Seed #24	Seed #23	Seed #22	Seed #21	Seed #20	Seed #19

- Seeding of the host country teams:
 - Seeding of the host country: the best host country team (Seeding points at -14 days) will be Seed 1 in Pool A if this host country team is naturally seeded among the top 6 teams, if the best host country team (Seeding points at -14 days) is naturally seeded among Seed 7 to Seed 15, then this host country team will be Seed 6 in Pool F. Otherwise, the best seeded host country team will be Seed 16 in Pool D. Other host country teams will be seeded naturally as per their Seeding points at -14 days.
 - The remaining host country teams will be seeded naturally as per their seeding Points.
 - Host country teams shall not be placed in the same pool, while this is possible for foreign teams. If the number of host country teams are equal or less than the number of pools in the tournament, each host country team shall be placed in a different pool respecting their natural seeding position. If there are more host country teams than the number of pools, then the natural seeding will stay in place with minimum one host country team in each pool. That being said, in the Elite tournament, the 2nd, 3rd, 4th, 5th and 6th (whenever applicable) host country team(s) will have their seed increased (for example from Seed #15 to Seed #16) until they are in different pool then the other host country team(s) should increasing the seed not work (or not be possible), then the seed is reduced (for example from Seed #24 to Seed #23) until the host country is in a different pool.

- The relative seeding of the best six (6) host country teams must be respected and preserved after the host country teams have been placed in separate pools.

Example: As shown in the diagram below, 8 teams already in the Main Draw from the host country (including the wild cards) are: USA 1 (Seed #1), USA 2 (Seed #2), USA3 (Seed #5), USA4 (Seed #8), USA5 (Seed #11), USA6 (Seed #12), USA7 (Seed #14), USA8 (Seed #17) See below:

Pool A	Pool B	Pool C	Pool D	Pool E	Pool F
USA 1	USA 2	Seed #3	Seed #4	USA 3	Seed #6
USA 6	USA 5	Seed #10	Seed #9	USA 4	Seed #7
Seed #13	USA 7	Seed #15	Seed #16	USA 8	Seed #18
Seed #24	Seed #23	Seed #22	Seed #21	Seed #20	Seed #19

Based on the above-mentioned principles, the final seeding will be established as follows:

Pool A	Pool B	Pool C	Pool D	Pool E	Pool F
USA 1	USA 2	Seed #3	Seed #4	USA 3	Seed #6
Seed #15	Seed #13	Seed #10	USA 4	Seed #9	Seed #7
Seed #16	USA 7	USA 5	Seed #18	USA 8	USA 6
Seed #24	Seed #23	Seed #22	Seed #21	Seed #20	Seed #19

- The first two ranked teams from each pool, and the best two teams that rank third in their respective pools (first by match points, then by set ratio followed by rally point ratio and lastly by tournament seeding), will advance automatically to the Playoffs. The four remaining third-ranked teams in each pool will play a two-match lucky loser round (3rd ranked vs. 6th ranked, while 4th ranked vs. 5th ranked); the two winning teams in the lucky loser round will also qualify for the Playoffs, making a total of 16 teams.
- The 4th ranked team of each pool will be ranked 19th place.
- Second phase: knock-out bracket (R16, QFs, SFs) in single elimination format

- The 8 teams qualified from the qualification tournament will automatically go to seed #17 to seed #24, following seeding points calculated the day before the start of the tournament, with best ranked team advanced from the Qualification tournament goes to Pool E as seed #17, 2nd best ranked team advanced from the Qualification tournament goes to Pool F as seed #18, 3rd best goes to Pool F as seed #19, 4th best goes to Pool E as seed #20, 5th best goes to Pool D seed #21, 6th best goes to Pool C seed #22, 7th best goes to Pool B seed #23 and 8th best goes to Pool A seed #24.

Rules for Matches Played

- The match winner earns 2 match points, and the match loser earns 1 match point.

Match won	2 points
Match lost	1 point

- For all matches the final team ranking will be determined in accordance with the results of the matches (won or lost). For each match won the winning team will earn 2 match points, for each match lost the losing team will earn 1 match point and for each forfeited match the winning team will earn 2 match points while the forfeited team will have 0 points.
- All discontinued matches or matches not commenced are to be assessed by the TD to determine if the losing team is “DSQ” or “INJ/DSQ” and whether they will receive any match points.
- If a team withdraws due to an injury before or during a match or gets disqualified during a match it will earn 1 match point and will keep the sets and points earned up to that moment, but the sets and points against will be the maximum. For example, if a team wins the first set 21:19 and is injured and forfeits the match when they are losing the second set 4:6, this injured team would earn 1 match point with sets of 1:2 and rally points of 21:19, 4:21 and 0:15. In this example, the winning team would get 2 match points with sets of 2:1 and rally points of 19:21, 6:4, 0:0. In addition, its match result will be marked with “INJ/DSQ”.
- If the injury occurs before the match begins, the match will be marked “INJ/DSQ” and the losing team will be awarded 1 match point with sets of 0:2 and rally points of 0:21, 0:21. In this case, the winning team will be awarded 2 match points with sets of 2:0 and rally points of 0:0, 0:0.
- If a team withdraws without a valid reason before a match (e.g. no show) or during a match (e.g. refusal to continue) they will lose by forfeit 0-2 (0:21, 0:21) and will earn 0 match points. In addition, this match result will be marked with “DSQ”. The winning team will receive 2 match points with sets of 2:0 and rally points of 0:0, 0:0.
- If a team is disqualified during the pool play due to a positive doping test, it will lose all the matches in the pool (played or to be played) by forfeit (see above). It will receive no rank. All of the team’s matches in the Pool will be recorded as a forfeit for ranking purposes. (e.g. All winning teams receive - Sets 2:0 - Rally Points 0:0, 0:0).
- If a team is disqualified after the pool play (after the Drawing of Lots for single elimination phase) of the tournament due to a positive doping test, it will lose the last pool matches played by forfeit (see above). If the single elimination phase has already started and if they have not played yet they forfeit their match, and the opponent will be then moved to the next round. The final pool ranking will be maintained. If the team already played its match and won the match, the match result will not be changed, and this team will forfeit the next round. However, if a team is disqualified from the

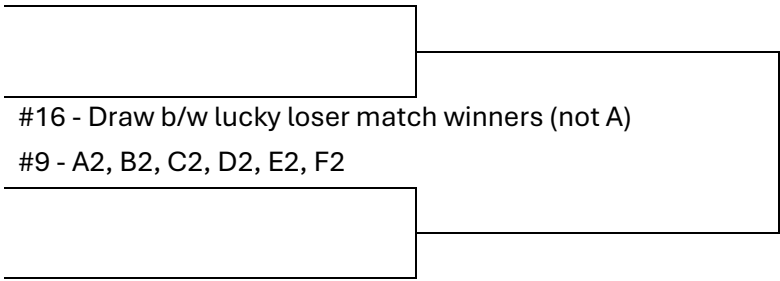

tournament due to a positive doping test after the conclusion of the drawing of lots (for the seeding of the single elimination phase) but before the commencement of the first match of the single elimination phase, they will be replaced in the draw directly by the next eligible team(s) eliminated from the tournament to be decided by FIVB/organizer. And the final pool ranking will be maintained. The disqualified team will receive no final ranking. It should be shown on the bottom of the final standing without rank and “DSQ”

- Four teams will play a standard round robin system in the first phase. Every team will play the three other teams in their pool. The ranking of teams within their pools will be determined by the total number of match points.
- In the case of a tie in the pools (match points) during the round robin, the following rules will apply:
 - Between two teams in the same pool:
 - The team with the highest rally points ratio in the matches between all teams in the pool, is ranked higher.
 - If a tie still exists by rally points ratio, then the teams have the same position in ranking.
 - Between three teams in the same pool:
 - If three teams have a tie in the main points, then the teams are ranked by the rally points ratio in the matches between the three tied teams.
 - If a tie still exists then the tied teams are ranked by the rally points ratio between all teams in the pool.
 - If a tie still exists then the teams have the same position in the ranking.
 - Between four teams in the same pool:
 - The ranking is determined by the rally points ratio between all teams in the pool.
 - If a tie still exists then the teams have the same position in the ranking.
- In the case of a tie in the pools (match points) at the end of the round robin, the following rules will apply:
 - Between two teams in the same pool:
 - The team with higher rally points ratio in the matches between all teams in the pool, is ranked higher.
 - If a tie still exists, then the winner of head-to-head match is ranked higher.
 - Between three teams in the same pool:
 - Teams are ranked by the rally points ratios in the matches between the three tied teams.
 - If a tie still exists then the teams still tied are ranked by the rally points ratio between all teams in the pool.
 - If a tie still exists then the teams still tied are determined by the tournament seeding established at the tournament (the better seed of the tied teams ranked higher, i.e. Seed 12 is ranked higher than Seed 13).

- As already communicated, National Federations can withdraw a team or change the players up to 28 days before start of the tournament
- From the publish of the confirmed Entry List until 16:00 CET of Wednesday 3 weeks before the start of the Beach Pro Tour Elite 24 event National Federations can withdraw a team or change a player with a medical certificate. Proof of travel is not mandatory within this deadline. It is recommended to inform us (beachvolleyball@fivb.com) as soon as possible such withdrawal to ensure that playing opportunities are available for teams in the reserve list.
- From 16:00 CET of Wednesday 3 weeks before the start of the Beach Pro Tour Elite 24 until 16:00 CET of Friday the week before the start of the event all withdrawals must be accompanied with a medical certificate and travel proof. Otherwise, a withdrawal fine will apply.
- From 16:00 CET of Friday the week before the start of Beach Pro Tour Elite 24 until one minute before the completion of Preliminary Inquiry withdrawals will be subject to monetary fine unless with justified reasons due to force majeure, or last-minute medical reasons such as covid-19 reason.

Information regarding the withdrawal fine is as follows:

Tournament	Monetary fine per athlete
Main Draw of Elite24 tournament	USD 1500 per athlete
Qualification Tournament of Elite16 tournament	USD 500 per athlete

- If the withdrawal or ‘change of athlete’ request is for an athlete/team in the Main Draw, the new team shall have enough ranking points to maintain their Main Draw position, otherwise, the team shall be placed in the Qualification Tournament. Should the team not have enough ranking points for the Qualification Tournament, the team will be placed accordingly in the reserve list.
- In case of the withdrawal(s) of team(s), in the Main Draw tournament of Volleyball World Beach Pro Tour Elite 24, after the completion of Preliminary Inquiry of the Qualification Tournament when the Qualification match schedule has been developed and published, the regulations of the lucky loser draw shall be implemented to determine the extra team(s) qualifying to the Main Draw. The lucky loser draw regulation is as follows:
 - The lucky loser draw is conducted by the FIVB Technical Delegate assigned after the completion of the Preliminary Inquiry of Main Draw.
 - The lucky loser draw is implemented among the teams losing the last round of the Qualification Tournament, provided they attend and sign in at the Preliminary Inquiry of Main Draw tournament as eligible ‘lucky losers’.

- The first draw is between the two highest seeded teams among the eligible ‘lucky losers’.
 - For each additional available spot to the Main Draw, the next highest seeded team must be drawn against the loser of the previous draw.
 - This procedure continues until all additional open spots of the Main Draw are filled.
- Furthermore, in the above case when the lucky loser draw is implemented, the same principle described above shall be respected to have the highest ranked team advanced from the Qualification tournament to fill the pool of highest seeded position (The seeding of the late withdraw team), and then 2nd highest ranked team advanced from the Qualification tournament to fill the pool of the 2nd highest seeded position, while having the lucky losers always placed at the bottom for the seed #16, and if necessary seed #15, seed #14, etc.
 - If the withdrawal or ‘change of athlete’ request is for an athlete/team in the Qualification Tournament, the team shall have enough ranking points to maintain their Qualification Tournament position, otherwise, the team shall be placed in the reserve team list. However, if the team has enough ranking points to enter Main Draw, the team will still remain in the Qualification Tournament and be seeded per the ranking points of the new team.

For further information regarding the withdraw procedures, please refer to the FIVB BVB Sport Operations Manual at [Tools and Forms – FIVB](#).
