## 3. COMPETITION SPECIFIC

### 3.1 Competition Format

#### ➤ Qualification Tournament

- Consists of 16 teams playing in single elimination format to qualify 4 teams to the main draw tournament. Qualification tournament of both genders will be played on 30 March 2022.
- 14 Qualification teams enter directly, together with 2 Qualification wild cards teams (if applicable).
- Country quota: maximum 4 teams per NF excluding wild cards in the tournament of Main Draw and Qualification tournament, with maximum 3 teams directly in the Main Draw for the host teams and maximum 2 teams directly in the Main Draw for the foreign teams. Should the Qualification tournament roster not be full, and no other teams (respecting the country quota of 4 in total) in the reserve team list, the 5<sup>th</sup> and eventually the 6<sup>th</sup> host teams placed in the host reserve list will be picked up to fill the roster of Qualification tournament.
- Should the above efforts be explored, and the Qualification tournament is still not full, then any eventual teams (over the total country quota of 4 for foreign teams and 6 for host teams, excluding wild cards) will be picked up to fill the roster, respecting the priority of the teams' entry points.

#### ➤ Main Draw Tournament

- Consists of 16 teams playing in two phases as following:  
First phase: four (4) pools of four (4) teams playing modified pool play. Top three (3) teams from each pool will advance to the second phase.  
Second phase: knock-out bracket (12 teams) in single elimination format.
- 10 Main Draw teams, together with 2 Main Draw wild cards teams enter directly.
- Country quota: maximum 4 teams per NF excluding wild cards in the tournament of Main Draw and Qualification tournament, with maximum 3 teams directly in the Main Draw for the host teams and maximum 2 teams directly in the Main Draw for the foreign teams.

- For the Pool Phase, matches will be played in the competition format of a modified pool play, i.e. the highest seeded team will play the lowest seeded team in the same pool, while the 2nd highest seeded team will play the 3rd highest seeded team in the same pool. The winners of the above two matches will play each other, with the winner to top the pool and the loser as 2nd ranked team from the pool phase. The losers of the above two matches will play each other, with the winner as the 3rd ranked team from
- Seeding of the host country: the best host country team will be seeded #1 in Pool A if the team is among top 4 seeded teams, otherwise, it will be seeded #4 in Pool D.
- The top four (4) host country teams (as per its seeding points) shall never be placed in the

#### GROUP

same pool. The 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> host country team(s) will have their seed increased (for example from Seed #5 to Seed #6) until they are in a different pool than the other top four (4) host country teams. Should increasing the seed not work (or not be possible) then the seed is reduced (for example from Seed #16 to Seed 15) until such host country team is in a different pool. However, for 5<sup>th</sup>, 6<sup>th</sup> and any other eventual host country team(s), it is possible to be placed in the same pool with the top four (4) host country teams. The relative seeding of the top 4 host country teams must be respected while this is not applicable for the 5<sup>th</sup>, 6<sup>th</sup> and any other eventual host country teams.

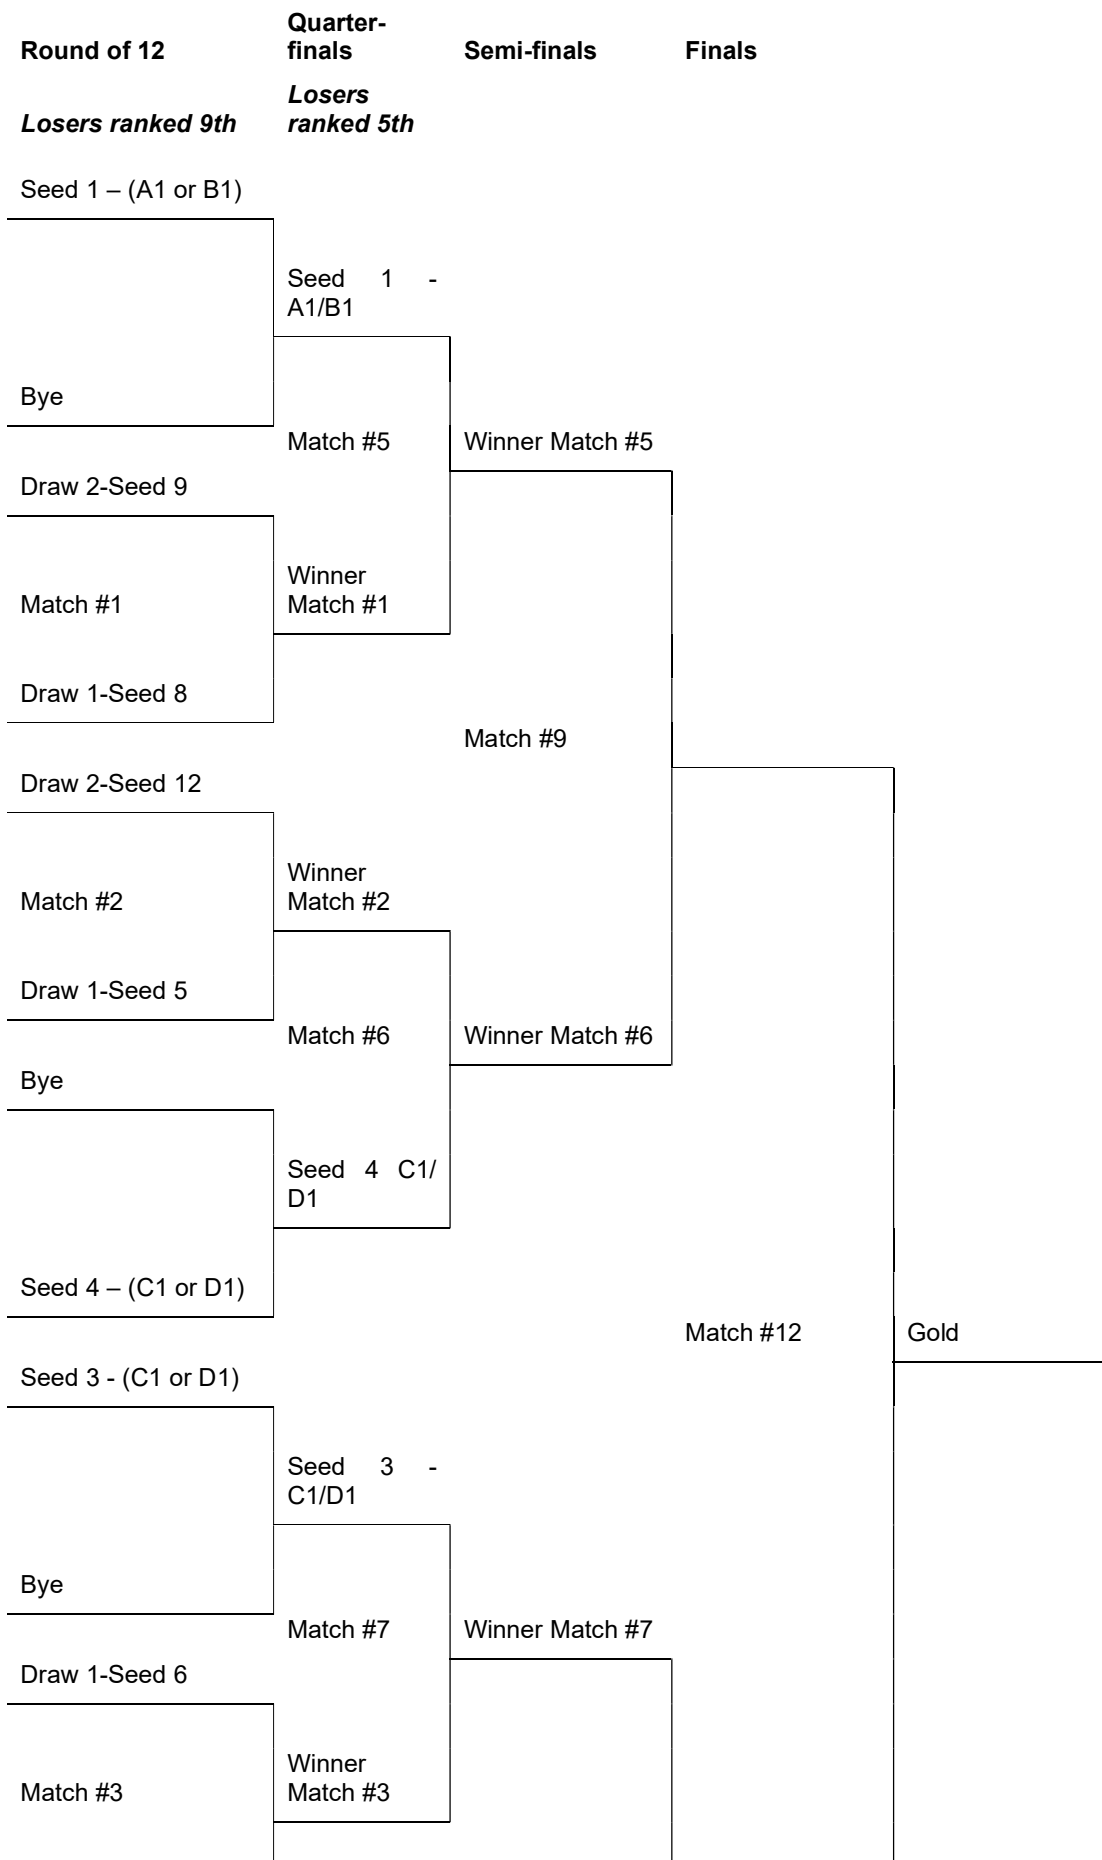

Example: As showed in the below diagram, 8 teams already in the Main Draw from the host country (including wild cards), their seeding positions are AUS 1 (seed #1), AUS 2 (seed #3), AUS 3 (seed #6), AUS 4 (seed #8), AUS 5 (seed #10), AUS 6 (seed #13), AUS 7 (seed #14) and AUS 8 (seed #15)

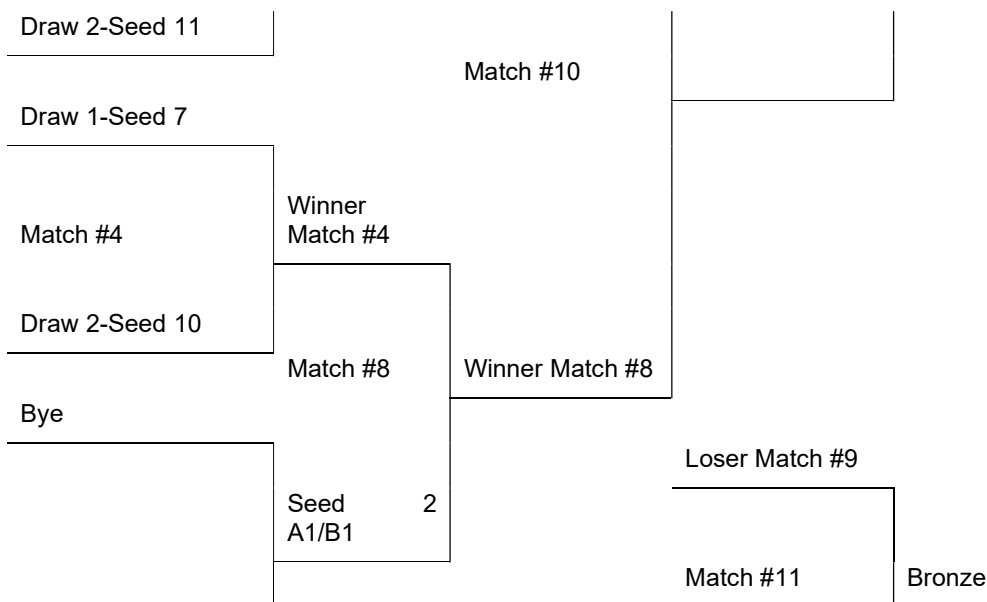

Pool A	Pool B	Pool C	Pool D
AUS 1	Seed #2	AUS 2	Seed #4
AUS 4	Seed #7	AUS 3	Seed #5
Seed #9	AUS 5	Seed #11	Seed #12
Seed #16	AUS 8	AUS 7	AUS 6

Based on the above mention regulations, the final seeding will be established as below:

Pool A	Pool B	Pool C	Pool D
AUS 1	Seed #2	AUS 2	Seed #4
Seed #9	AUS 3	Seed #7	Seed #5
AUS 5	Seed #11	Seed #12	AUS 4
Seed #16	AUS 8	AUS 7	AUS 6

- Top 3 teams in each pool qualify for the 12-team playoff

- Should the above efforts be explored, and the Qualification tournament is still not full, then any eventual teams (over the total country quota of 4 for foreign teams and 6 for host teams, excluding wild cards) will be picked up to fill the roster, respecting the priority of the teams' entry points.
