COUNTRY QUOTA

The details of country quota regulations implemented at Volleyball World Beach Pro Tour Futures is as follows:

- Volleyball World Beach Pro Tour Future: maximum four (4) teams excluding any eventual wild cards from the same NF in the confirmed entry list.

Notes:

- For Volleyball World Beach Pro Tour Future tournaments, a maximum of three (3) teams from the host country, excluding wild cards, may enter the Main Draw tournament directly despite insufficient ranking points calculated at their entry to the tournament. The fourth (4^{th}) team from the host country may enter the Qualification Tournament if it has enough ranking points calculated at its entry to the tournament. Otherwise, the teams will be placed in the reserve list.
- For Volleyball World Beach Pro Tour Future tournaments, two (2) more host teams will be registered outside the limit of country quota and will be listed as the host reserve teams to fill the roster of the Qualification Tournament in case of contingency case such as 'force majeure' (including any Covid-19 related cases) which may cause last minute withdrawals prior to the start of the Qualification Tournament. They will be picked-up in sequence as per their ranking points calculated at their entry to the tournament. If teams are tied in ranking points, the host NF shall confirm in writing latest by -28 days which teams will be picked-up in priority.
- For Volleyball World Beach Pro Tour Future tournaments, a maximum of two (2) teams from the foreign country, excluding wild cards, may enter the Main Draw tournament directly should the teams have sufficient ranking points calculated at their entry to the tournament. The remaining teams from the foreign country may enter the Qualification Tournament if it has enough ranking points calculated at its entry to the tournament. Otherwise, the teams will be placed in the reserve list.
- All other foreign teams and host teams outside the above-mentioned country quota will be placed at the bottom of the reserve list and will be the last to be picked up in priority after teams within country quota in the Reserve list followed by two (2) teams in the host reserve list. Once the Confirmed Entry List is issued (for clarify that after the double-entry teams is removed from the respective tournament scheduled in the same week, the update Confirmed Entry List is issued respecting the country quota of 4), the status of such teams outside the country quota will not change, even if further withdrawal may occur from any of teams from its National Federation within the country quota of 4.
- However, should the Qualification tournament roster not be full, and no other teams (respecting the country quota of 4 in total) in the reserve team list, the 5^{th} and eventually the 6^{th} host teams who are placed in the host reserve list will be picked up to fill the roster of Qualification tournament. Should the above efforts be explored, and the Qualification tournament is still not full, then any eventual teams (over the total country quota respectively for foreign teams and host teams, excluding wild cards) will be picked up to fill the roster, respecting the priority of the teams' entry points.

CONTINENTAL QUOTA

Respecting the principle of Universality in the participation of Futures tournament, to allow the participation teams (with insufficient entry points to directly enter the tournament) from all five (5) continents, with one (1) quota place per continent that is awarded to the team from such continent with highest entry points.

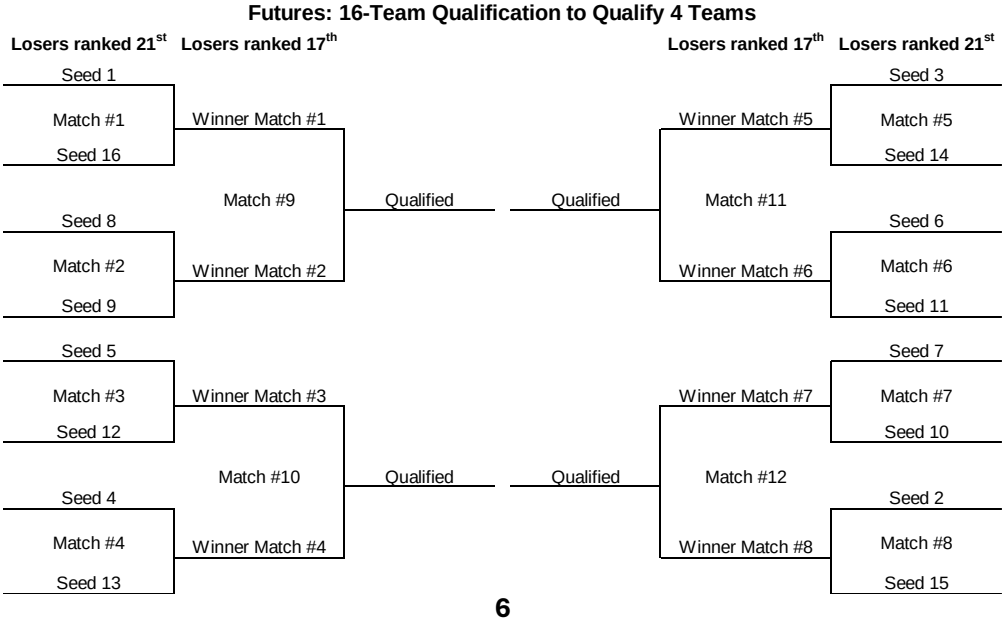
Any team benefit from such regulation of Continental quota will have maximum 24 hours, after the publish of the Confirmed entry list, to confirm to the Continental Confederation managing the Future tournament, with a copy to FIVB at beachvolleyball@fivb.com to confirm the use of such continental quota place, and that the team confirms to participate in this tournament. Failure to confirm this in writing will result in losing such Continental Quota, and automatically the quota goes to the next highest team for this continent (if any).

COMPETITION SPECIFIC

COMPETITION FORMAT

Qualification Tournament:

- Consists of 16 teams playing in single elimination format to qualify 4 teams to the main draw.
- 14 Qualification teams enter directly, together with 2 Qualification wild cards teams (if applicable).
- Country quota: maximum 4 teams per NF excluding wild cards in the tournament of Main Draw and Qualification tournament, with maximum 3 teams directly in the Main Draw for the host teams and maximum 2 teams directly in the Main Draw for the foreign teams. Should the Qualification tournament roster not be full, and no other teams (respecting the country quota of 4 in total) in the reserve team list, the 5th and eventually the 6th host teams placed in the host reserve list will be picked up to fill the roster of Qualification tournament.
- Seeding based on the day before the start of the tournament (-1 day)



Main Draw Tournament

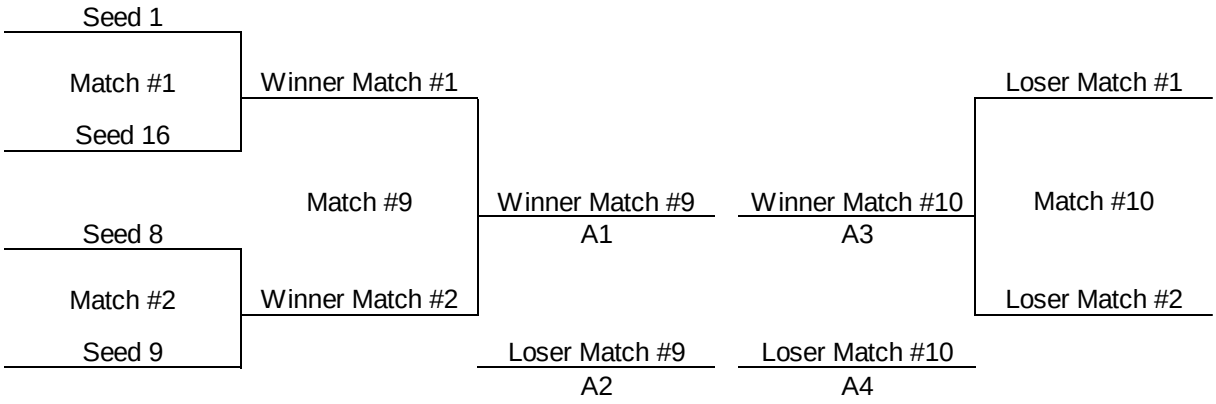
- Consists of 16 teams playing in two phases as following:
    - First phase: four (4) pools of four (4) teams playing modified pool play. The top three (3) teams from each pool will advance to the second phase.
    - Second phase: 12-Team Single Elimination playoffs.
- 10 Main Draw teams, together with 2 Main Draw wild cards (If applicable) team enter directly to the Main Draw, will be distributed directly into Pool A to Pool D following the serpentine system, according to their ranking points at -1 day before the start of the tournament.

- Main Draw Pool Play Distribution:

Pool A	Pool B	Pool C	Pool D
Seed 1	Seed 2	Seed 3	Seed 4
Seed 8	Seed 7	Seed 6	Seed 5
Seed 9	Seed 10	Seed 11	Seed 12
Seed 16	Seed 15	Seed 14	Seed 13

- For the Pool Phase, matches will be played in the competition format of a modified pool play, i.e. the highest seeded team will play the lowest seeded team in the same pool, while the 2nd highest seeded team will play the 3rd highest seeded team in the same pool. The winners of the above two matches will play each other, with the winner being the 1st ranked team of the pool and the loser being the 2nd ranked team of the pool. The losers of the above two matches will play each other, with the winner being the 3rd ranked team of the pool and the loser being the 4th ranked team of the pool. The Top 3 teams in each pool qualify for a 12-team playoff.

Pool A - Modified Pool Play



- Seeding of the host country: the best host country team will be Seed 1 in Pool A if the team is among the top 4 seeded teams, otherwise, it will be Seed 4 in Pool D.
- The top four (4) host country teams (as per their seeding points) shall never be placed in the same pool. The 2nd, 3rd and 4th host country team(s) will have their seed increased (for example from Seed 5 to Seed 6) until they are in a different pool than the other top four (4) host country teams.

Should increasing the seed not work (or not be possible) then the seed is reduced (for example from Seed 16 to Seed 15) until such host country team is in a different pool. However, for 5th, 6th and any other eventual host country team(s), it is possible to be placed in the same pool with the top four (4) host country teams. The relative seeding of the top 4 host country teams must be respected while this is not applicable for the 5th, 6th and any other eventual host country teams.

Example: as shown in the diagram below, 8 teams already in the Main Draw from the host country (AUS) including wild cards, their seeding positions are AUS 1 (Seed 1), AUS 2 (Seed 3), AUS 3 (Seed 6), AUS 4 (Seed 8), AUS 5 (Seed 10), AUS 6 (Seed 13), AUS 7 (Seed 14) and AUS 8 (Seed 15). See below:

Pool A	Pool B	Pool C	Pool D
AUS 1	AUS 2	AUS 2	Seed 4
AUS 4	Seed 7	AUS 3	Seed 5
Seed 9	AUS 5	Seed 11	Seed 12
Seed 16	AUS 8	AUS 7	AUS 6

Based on the above regulations, the final seeding will be established below:

Pool A	Pool B	Pool C	Pool D
AUS 1	Seed 2	AUS 2	Seed 4
Seed 9	AUS 3	Seed 7	Seed 5
AUS 5	Seed 11	Seed 12	AUS 4
Seed 16	AUS 8	AUS 7	AUS 6

Rules for Matches Played

- The match winner earns 2 match points, and the match loser earns 1 match point.

Match won	**2 points**
Match lost	**1 point**

- For all matches the final team ranking will be determined in accordance with the results of the matches (won or lost). For each match won the winning team will earn 2 match points, for each match lost the losing team will earn 1 match point and for each forfeited match the winning team will earn 2 match points while the forfeited team will have 0 points.
- All discontinued matches or matches not commenced are to be assessed by the Technical Delegate to determine if the losing team is “DSQ” or “INJ/DSQ” and whether they will receive any match points.
- If a team withdraws due to an injury before or during a match or gets disqualified during a match it will earn 1 match point and will keep the sets and points earned up to that moment, but the sets and points against will be the maximum. For example, if a team wins the first set 21:19 and is injured and forfeits the match when they are losing the second set 4:6, this injured team would earn 1 match point with sets of 1:2 and rally points of 21:19, 4:21 and

0:15. In this example, the winning team would get 2 match points with sets of 2:1 and rally points of 19:21, 6:4, 0:0. In addition, its match result will be marked with “INJ/DSQ”.

- If the injury occurs before the match begins, the match will be marked “INJ/DSQ” and the losing team will be awarded 1 match point with sets of 0:2 and rally points of 0:21, 0:21. In this case, the winning team will be awarded 2 match points with sets of 2:0 and rally points of 0:0, 0:0.
- If a team withdraws without a valid reason before a match (e.g. no show) or during a match (e.g. refusal to continue) they will lose by forfeit 0-2 (0:21, 0:21) and will earn 0 match points. In addition, this match result will be marked with “DSQ”. The winning team will receive 2 match points with sets of 2:0 and rally points of 0:0, 0:0.
- If a team is disqualified during the pool play due to a positive doping test, it will lose all the matches in the pool (played or to be played) by forfeit (see above). It will receive no rank. All of the team’s matches in the Pool will be recorded as a forfeit for ranking purposes. (e.g. All winning teams receive - Sets 2:0 - Rally Points 0:0, 0:0).
- If a team is disqualified after the pool play (after the Drawing of Lots for single elimination phase) of the tournament due to a positive doping test, it will lose the last pool matches played by forfeit (see above). If the single elimination phase has already started and if they have not played yet they forfeit their match, and the opponent will be then moved to the next round. The final pool ranking will be maintained. If the team already played its match and won the match, the match result will not be changed, and this team will forfeit the next round. However, if a team is disqualified from the tournament due to a positive doping test after the conclusion of the drawing of lots (for the seeding of the single elimination phase) but before the commencement of the first match of the single elimination phase, they will be replaced in the draw directly by the next eligible team(s) eliminated from the tournament to be decided by FIVB/organizer. And the final pool ranking will be maintained. The disqualified team will receive no final ranking. It should be shown on the bottom of the final standing without rank and “DSQ.”

UNIFORM AND ACCESSORIES

The playing tops/tanks will be provided by the organizer for all Main Draw and Qualification players. Shorts/bottoms and accessories must be provided by the players and/or by their sponsors.

If required by the FIVB Technical Delegate, other uniforms and accessories will be checked during the Preliminary Inquiry. Athletes of the same team must wear the same color and style of shorts.

Futures: 12-Team Single Elimination Playoff
